

Welcome to the

# School Food Handler Family!

# Congratulations!

Welcome to the School Food Handler family and congratulations on your decision to take advantage of our Done For You professional standards education and staff tracking program!

# Quick and Easy Set-up Process

## STEP #1:

Download the Setup Forms on the next slide and fill them out.

## STEP #2:

Send the completed set-up forms back to us.

## STEP #3:

Sit back and wait for our email that contains your district's log-in credentials.

# Link To The Forms

---

Download both forms and fill them out. Please note that the information that you provide will be the information that we upload to your site. Changes can be made after setup is complete.

**Employee Roster**  
**Form**

**School Roster**  
**Form**

Once you finish filling out the setup forms,  
please send it to  
**support@schoolfoodhandler.com**

**Send The  
Forms Now!**

Thank you for your assistance in gathering this information and please do not hesitate to let us know if you have any questions.
